Happy Moments

Happy Chaos

Happy Memories

Preserved

In life's Whirlwind

to count your Blessings

and stay close

because

life's milestones

only happen once.

Welcome

*Hello and thank you for your interest in Effervescent Media Works
My name is Rebecca Mabey, owner, and photographer.
9 years in business serving clients coast to coast.*

*I am a wife, a mother of 3 and an artist at heart. I love what I do.
I enjoy making children laugh and being that silly clown to do so.
It is an honor to capture the love that others share and help them preserve
it in a way that will help them to count their blessings,
especially when those hard times come. If photography can be such a
tool to help strengthen families, then I have done my job well.*

*Each of my clients are different and that is why I am not a cookie cutter
photographer. I will make a little adjustment here and there to best
cater to each of my clients. From the beginning, I will help guide you
in what to wear, how to let go at the session and have fun and ultimately
have those beautiful memories up on your wall and to share on social media.*

*I love to capture life, through the beautiful light of the sun, those bright
smiles and hugs and pop of color. So let's create something beautiful together.*

Investment
